Don't miss out on potential new members because they cannot locate your club meeting place!

Kiwanis International needs your **postal code**. Every month, hundreds of Internet users search for Kiwanis clubs via the Kiwanis International Web site. Some of them may be potential members looking for your club. The most efficient way to find a club's location is by postal code; so, when you submit your club's election results form, **please be sure to provide the postal code for your club's meeting place.**
