

Caring Corner

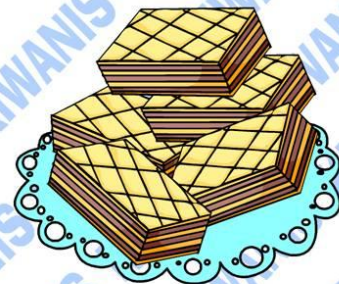

Abilene, TX - August 5-7, 2010

Caring Corner is soon approaching. I hope each of you are preparing now for convention in Abilene. Remember our youth depends on us - YOU and ME to help raise money for their scholarships. These scholarships are a much needed help for their education. 100% of Caring Corner proceeds go towards scholarships for our youth. So lets get started now don't wait. For those of you who do not know what Caring Corner is, Caring Corner is a craft bazaar set up during convention for convention goes to shop at. All items are donated by you and I. All clubs donating at least \$40 in merchandise or cash receive a banner patch for your awards banner. Hope to see each of you at convention in Abilene in August. God

Bless You and Your Club
