A member who enrolls new members will receive one "Red Dream Catcher" lapel pin for every new member up to four enrolled. In other words, a person could have one, two, three or four "red" dream catchers at any given time. After the member has enrolled the fifth new member, the four "Red" dream catcher pins are returned to the District Office and a "Blue Dream Catcher" lapel pin, which represents five new members, is issued. If for example a member enrolls eight new member, they would receive a "Blue" and three "Red" dream catchers, etc. Whatever the number of new members enrolled at midnight September 30th, 2010, the enrolling member will keep the lapel pins that signifies the number of new members he or she has recruited for the year. HERE IS THE NEW INCENTIVE: for each new member added this year (Oct 1, 2009 to midnight on Sept 30, 2010) the sponsoring member's name will go into a drawing to win a \$1000 U. S. Savings Bond! The District office will work with KI to validated all new members in order to qualify. The drawing will be held at the K-Family Conference in October 2010. Do not have to be present to win.
