

Dear Club Presidents,

June 2025

Do you have a special female member whom you would like to honor this year? We are pleased to announce that 2024/2025 Governor Bobby Quinten will continue to support the Texas-Oklahoma District *Women in Kiwanis* Scholarship Fund. For a \$300 donation your club can honor a female leader in your club. The recipient will receive a beautiful award commemorating 35 years of Women in Kiwanis, one of our collector's T-shirts, and a donation will be made in their name to the Women in Kiwanis Fund. This donation will help send either a Key Club or CKI student to a leadership event.

This special award can be ordered at any time this year however if you wish to have it awarded at a special occasion such as K-Family or District Convention please be sure to order 30 days in advance.
