

Dear Club Presidents,

September 2023

Want to Order T-shirts for all the Women in your club to Celebrate 35 years of *Women in Kiwanis*. We are excited to announce that 2023/2024 Governor Dr. Kathy Culbertson's has joined past Governors Susan Hennum and Colleen Biggerstaff to support this fund. Many clubs are choosing to honor several of their members with the special red glass award and then give all other women in the club a T-shirt. If you would like to order one of the awards simply go to the Award Order Form. If you just need T-shirts, please complete this.

The T-shirts are \$20 each plus shipping. Please put the number of each size.
